

“As a small business owner I want to provide health care to my employees, but I can’t.

We need real health care reform now. It’s vital to Maine’s economy and will help small businesses like mine grow and be more competitive.”

John Costin,
Kennebunk, owner Veneer Services Unlimited

Help Senator Snowe stand up to the insurance company lobbyists!

There’s a bill in Congress that would:

- Lower health care costs for businesses and families
- Allow you to keep your current health insurance plan
- Stop insurance company abuses
- Increases competition by giving you the choice of a public health insurance option

The Insurance companies are fighting against these reforms.

Senator Snowe may be the deciding vote.

Call Senator Snowe at 888-743-4401

and ask her to continue her independence and stand up to the insurance lobby.
